

## **Amesbury Fire Department Press Release**

### **Mass Casualty Incident Training Event**

Oct 31, 2014

On Saturday November 1<sup>st</sup> 2014, the City of Amesbury's Public Safety Departments will be participating in a multi-agency / multi-community disaster drill located at Amesbury High School.

The drill will take place Saturday morning starting at 6:30 am and concluding around 12 noon. During this period you will see emergency vehicles entering and leaving the High School, you may also see them parked on the side of local streets in the area.

The City of Amesbury's Emergency Services and the public schools will implement for training purposes our MCI (Mass Casualty Incident) plan. We perform these drills periodically to test our resources and personnel in large scale incidents.

Thank you for your cooperation.
