On June 1 at 6:00 pm, the Amesbury Conservation Commission will hold a public forum to discuss the preservation of Woodsom Farm for public recreational use, as well as management options for protecting sensitive ecological habitat on the property. The forum will be held at the Amesbury City Hall auditorium at 62 Friend Street.

The Conservation Commission has invited representatives from Massachusetts Audubon Society and Greenbelt, Essex County's Land Trust, as well as elected officials, to join us in discussing conservation and management options for Woodsom Farm. The Commission hopes to make a recommendation to Mayor Gray and the Amesbury City Council subsequent to the forum. The public is encouraged to attend. Written comments may be submitted prior to the meeting. Please address all comments to: Steve Langlois, Chair, Amesbury Conservation Commission, 62 Friend Street, Amesbury, MA 01913.
