Subject: 68 Haverhill Road Site Plan Review Supplemental Information

Dear Board Members,

The Department of Public Works (DPW) has completed a review of the supplemental information provided by the applicant for proposed modifications to the commercial business at 68 Haverhill Road.

The additional information provided by the applicant addresses the DPW comments from the initial review letter dated June 22, 2016. The DPW has no additional comments on the proposed project at this time and finds the application satisfactory as it pertains to the department.

The DPW reserves the right to provide further comment on the proposed modifications as additional review of the project plans and details may arise. Should additional information be required, please feel free to contact Rob Desmarais, DPW Director, or myself.

Sincerely,

Peter A. Manor
City Engineer
