Dear Friends of FCOA,

We cordially invite you to participate as a Sponsor at the Health Fair to benefit the Friends of Council on Aging (FCOA), which will be held on Friday, September 23rd 2016.

The FCOA is committed to the community of Amesbury and the wellbeing of its inhabitants, particularly to those of the aging community. The goal of the FCOA is to support seniors and the members of the Amesbury Council on Aging Senior Community Center in their quest to maintain a healthy, and active senior living experience for Amesbury residents. ***This goal is: To advocate for older adults, to identify their needs, to meet their health, economic, social and cultural needs, to encourage maximum independence and to improve their quality of life.***

We hope that we have your support for this event at the Council on Aging Senior Community Center. Your donation helps to support services sponsored by the Amesbury Council on Aging Senior Community Center and the FCOA. This support is very much appreciated as well as needed, to help give the quality of care and programs the Senior Community Center is known for. The Health Fair is a great time for seniors to learn about the agencies and services that are available to them. This is a perfect time to display what your agency is about, what it offers, and who is eligible. Freebies and food for all! Please consider being a sponsor which benefits so many! You can register on our Event Brite page <https://www.eventbrite.com/e/health-fair-2016-amesbury-fcoa-tickets-26103536380> or complete page 2.
