1. Please explain why you would like to serve on a particular Board, Committee, or Commission. If necessary add additional sheets.

I have been meeting with the members of the Friends of the Powow. I have enjoyed our discussions.

I believe having a member of our committee who is also part of the Quality of Life committee would serve us well.

Being recently retired, I find I have time now to work on community projects such as this and being active and giving back to my community which has given so much to me is something I would like to pursue.

I also recently been more actively involved politically and I find the work new and interesting and very rewarding. I think being member of this committee will give me a perspective on our community and local government

I would not otherwise experience. I believe I would learn a great deal and I also believe as a life long resident with

**a passion for our community I have something to offer.**

2. Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.
