With possession, use and growing of marijuana now legal in the Commonwealth, the importance of local towns, like Amesbury, implementing guidelines, researching other legal states policies and educating the community is of utmost importance. Over the next 18 months it will be vital to establish these guidelines for not only future fiscal gain but more importantly that the citizens and visitors of Amesbury have a true understanding of our towns marijuana policies. These are just a few of my reasons for my interest in serving this committee.

I currently hold a master's degree as a certified registered nurse anesthetist (CRNA) and have been practicing for over 25 years. I have never held any city/town office positions, however have held positions within my profession that did involve group/committee work. Currently I am employed by Lawrence General Hospital, in Lawrence Massachusetts, as a staff CRNA and also have an appointment as Affiliate Assistant Professor in the School of Nursing at Northeastern University. I believe, in my opinion, that this would be beneficial in carrying out the responsibilities of this committee. I believe now, especially with the marijuana legalization vote, that it is important for residents to become involved, whether they have voted yes or no on Question 4. Now that legalization has passed our community needs to make sure state and specifically Amesbury town policies are followed and fulfilled in a favorable and sound manner in our community.
