All--

I want to make you aware that I have tendered my resignation to School Committee to the Mayor this morning.

Let me know if I need to provide anything through a transition.

Sincerely,
Amy

Subject: Resignation Letter

Dear Mayor Gray and Superintendent Fulgoni,

Please accept this email as official notice of my resignation from the Amesbury School Committee. It is of course with sadness and optimism that I make this decision. Since joining the Committee nearly two years ago my global company has doubled in size. This has required more international travel and day to day attention as we scale to grapple with issues of data privacy. While that is very exciting, it has left me much less time to focus on the schools and my family. I have the utmost respect for our teachers and staff and it is with them in mind that I struggle most with this decision. Though, I am comforted knowing there are great people willing and able to jump in and engage. With contract negotiations looming and budget season starting soon, I felt it imperative that I make this decision now. Getting a new person in place and settled for the new year will help bring continuity.

If I can leave the committee with any parting words, it would be to concentrate on building a sustainable budget and advocating more actively with the State for adequate funding.

Best wishes to you both and many thanks to my fellow colleagues whom I have enjoyed getting to know. I look forward to a new school and watching the young children of Amesbury grow and thrive.

Sincerely,
Amy Sherwood
