1. Please explain why you would like to serve on a particular Board, Committee, or Commission. If necessary add additional sheets.

I would like to serve on the Conservation Commission because I have a passion for the environment and open spaces. I am an avid hiker and frequently use public spaces in Amesbury for recreation. I moved to the area two years ago and have really enjoyed getting to know Amesbury. I would like to serve on this commission in order to get more involved in the community. I have a master's degree in Community Development and Planning, but I don't use it very much in my work day-to-day. I am interested in serving the Amesbury community using the knowledge I gained through these studies.

2. Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

Through my studies in Community Development and Planning I took several courses related to urban planning and environmental considerations. I gained experience in public forums and attended various community meetings. It has always been my interest to be involved with my community through local engagement. Professionally, I am Finance Manager for a local company. I am detailed-oriented and have experience with grant-writing, financial management and event planning.

3. Please list any city offices you have held in Amesbury or elsewhere.
