Subject: [Amesbury MA] Declining planning board position

Dear Ms.Dixon,

I appreciate the confidence people placed in me and the exciting opportunity to take part in city planning. After a recent change in personal circumstances, however, I realized that I cannot in good conscience devote the time required to do a good job on the planning board. Please accept my resignation, to allow another person the opportunity to follow through. I sincerely apologize for any inconvenience.

Best regards,

Nanette Masi
