Which Board, Commission or Committee are you applying for?

Health Care Trust Commission

Other:

Please explain why you would like to serve on a particular Board, Commission or Committee.

I've spent my career in health care consisting of patient care and hospital administration. I am retiring in September from MGH and I would like to be active in my community.

Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

I worked as an Radiological Technologist for about 25 years in hospitals and private orthopaedic surgeon offices. I was fortunate to work for wonderful surgeons who cared for all, no matter their

financial status. My most recent role at MGH has been as a Program Manager in the MGH Medical Staff Office. I manage the credentialing of about 5000 staff physicians. Always prepared for a MA DPH site visit, Joint Commission and insurance audits.

Please list any City offices you have held in Amesbury or elsewhere. Please share the name of the Office held, the date you were appointed or elected, and the date when your term expired.
None

Public service on a Board, Committee, or Commission can be demanding. Please indicate the realistic time commitment you are willing and able to make.
4 - 6 hours per week

Additionally, please describe any standing commitments you may have which might conflict with set meeting schedules.
I plan to volunteer at Our Neighbors Table, but I have not initiated that yet.

How did you hear about the vacancy on this City Board, Committee or Commission?
