Which Board, Commission or Committee are you applying for?

Cultural Council

Other:

Please explain why you would like to serve on a particular Board, Commission or Committee.

I am applying to be a member of the Amesbury Cultural Council because I have a passionate interest in the arts, arts organizing, and public arts initiatives. I am a professional printmaker and painter. I currently live in Lowell, MA and work in a printshop in Dover, NH. I have exhibited my work widely in New England. I just finished painting an electrical box, "A Community Garden by the Sea" by the bike path for Amesbury Cultural Council's public art initiative, "It's Electric." I have also painted two electrical boxes in Dorchester for Greater Ashmont Mainstreets and Dorchester Community Center for the Arts. I worked as an art teacher in 6 of Boston's public elementary schools for 3 years for two art non-profits. I am dedicated to arts and art enrichment for communities. If accepted, I would be very excited to bring my experience and love of the arts to help build the art community in Amesbury.

Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.
