Petition of the Massachusetts Electric Company d/b/a NATIONAL GRID  
Of NORTH ANDOVER, MASSACHUSETTS  
For Electric Conduit Location:

To the City Council of Amesbury, Massachusetts

Respectfully represents the Massachusetts Electric Company d/b/a NATIONAL GRID of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked – Moncrief St. - Amesbury, Massachusetts.

The following are the streets and highways referred to:

**29799525** Moncrief St. - National Grid to install approximately 15 feet 4/0 3C secondary conductor from Pole 2 new heavy duty handhole in customer installed 1-3inch conduit in order to provide electric service to three new lots on Moncrief St.

Location approximately as shown on plan attached.

Massachusetts Electric Company d/b/a  
NATIONAL GRID *Dave Johnson/lla*

Engineering Department

Dated: October 7, 2020

Amesbury

ORDERED:

Notice having been given and public hearing held, as provided by law, that the Massachusetts Electric Company d/b/a NATIONAL GRID be and it is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition with said company dated the 6th day of October 2020.

Said underground electric conduits shall be located substantially in accordance with the plan filed herewith marked – Moncrief St. - Amesbury, Massachusetts.

The following are the public ways or part of ways along which the underground electric conduits above referred to may be laid:

**29799525** Moncrief St. - National Grid to install approximately 15 feet 4/0 3C secondary conductor from Pole 2 new heavy duty handhole in customer installed 1-3inch conduit in order to provide electric service to three new lots on Moncrief St.

I hereby certify that the foregoing order was adopted at a meeting of the .....  
.....  
....., held on the ..... day of ....., 20 .....

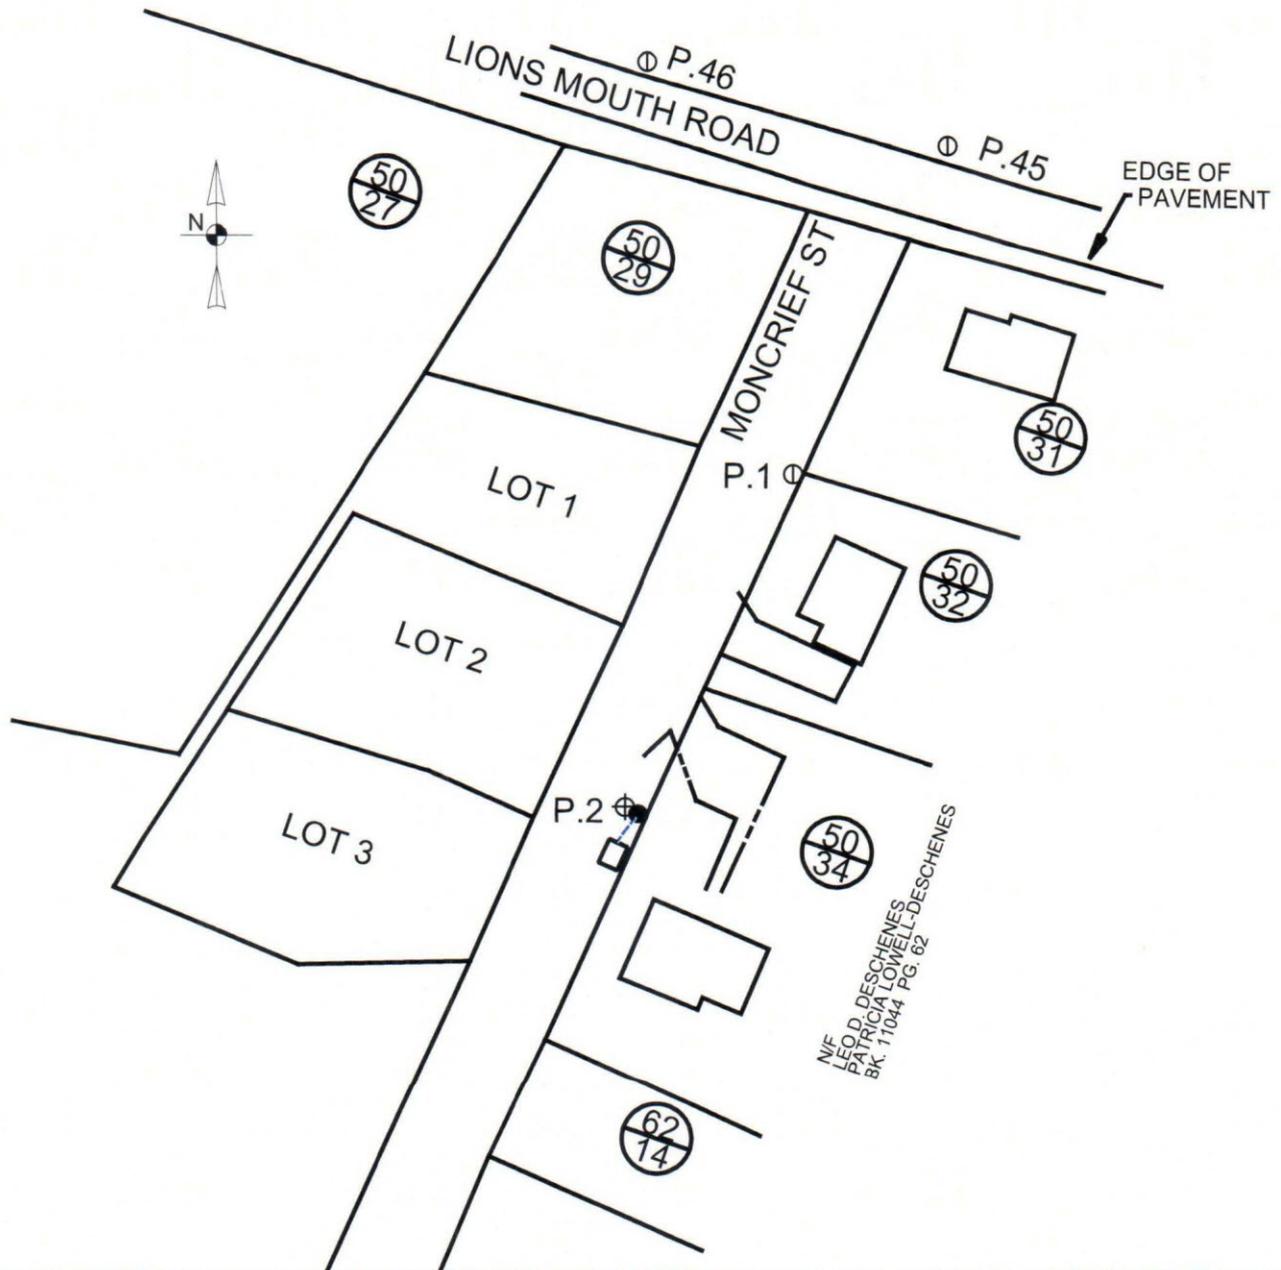

....., ..... 20 .....
