Which Board, Commission or Committee are you applying for?

Lakes & Waterways

Other:

Please explain why you would like to serve on a particular Board, Commission or Committee.

My husband, Bruce Georgian, has been chair of this board and I would like to continue his legacy. In addition to this, I have been actively involved with town conservation efforts, especially of the water ways and farms. Bruce and I wrote a grant and received money for the town to help minimize non-point solution of Lake Gardner. I attended meetings with Bruce and organized Lake Gardner Weed survey. I am also an active member of the Lake Gardner Improvement Association having planned the canoe and kayak race for about 5 years, in addition to helping with community events and beach improvement.
