**To Which Group Do I Belong?**

Your retirement board classifies you in a Group on the basis of the position you hold. If you are in doubt about which Group you are in, please consult with your retirement board. The four Groups are as follows:

- **Group 1:** "Officials and general employees including clerical, administrative and technical workers, laborers, mechanics and all others not otherwise classified." (Most people are in Group 1.)
- **Group 2:** Among the members of Group 2 are "Public works building police; permanent watershed guards and permanent park police; University of Massachusetts police;" and many other specific positions including but not limited to fire or police signal operators, and ambulance attendants of a municipal department who are required to respond to fires. (The type of employment classified in Group 2 tends to be somewhat more hazardous than employment in Group 1.)
- **Group 3:** This Group is entirely made up of members of the Massachusetts State Police.
- **Group 4:** Among the members of Group 4 are "members of police and fire department not classified in Group 1," and many other specific positions including but not limited to correction officers, parole officers or parole supervisors, and certain enumerated employees of a municipal light plant. (Generally speaking, Group 4 encompasses the most hazardous occupations.)

## 1. Explanation of Retirement Options

After reviewing **ALL** of the retirement options below, please select **ONE** option by checking the corresponding box in **Section 5** on page 6.

### Option (A) No Payment to Beneficiary

This Option provides for a full retirement allowance payable in monthly installments during your lifetime. All allowance payments will cease upon your death and no benefits will be provided for any survivors.

**Do not complete sections 3 & 4.**

### Option (B) Lump Sum Payment to Beneficiary

The payments under this Option are smaller than under Option (A). The annuity portion of your allowance is reduced to allow a lump sum benefit for your named beneficiary(ies). Upon your death, your named beneficiary(ies), or if there is no beneficiary living, the person or persons appearing in the judgment of the retirement board to be entitled thereto will be paid the unexpended balance of your annuity account. Please note that the contributions comprising the annuity account will be depleted within approximately twelve to fifteen years depending upon your age at retirement. The longer you live, the less will be paid to your beneficiary(ies) upon your death. If your account has been fully depleted, nothing will be paid to your named beneficiary(ies). You may designate and change at any time, one or more beneficiaries to receive in designated proportions, the lump sum Option (B) benefit. This Option takes effect upon your retirement and supercedes any prior beneficiary selections. **Do not complete sections 2 & 4.**

### Option (C) Payment of Allowance to Beneficiary

Election of Option (C) provides for a monthly retirement allowance during your lifetime that is less than you would receive under either Option (A) or Option (B). Upon your death your designated beneficiary will be paid a monthly allowance for the remainder of his or her lifetime. That allowance will be equal to two-thirds of the allowance that you were receiving at the time of your death. The monthly allowance you receive under Option (C) is based upon life expectancy factors for you and your designated beneficiary. Only your spouse, former spouse who has not remarried, mother, father, sister, brother or child may be designated as your Option (C) beneficiary. The younger your beneficiary, the smaller your retirement allowance will be. If, after you retire, your Option (C) beneficiary predeceases you, you will thereafter be paid the full retirement allowance you would have received had you elected Option (A) at the time your retirement allowance became effective. This conversion is commonly referred to as the Option (C) "pop-up". Please note that after the Option (C) "pop-up" takes place you may not name another Option (C) beneficiary or choose another Option.

**Do not complete sections 2 & 3.**

## 2. Option A Only

There is no beneficiary when Option A is selected. Of all three options, Option A provides the highest possible monthly allowance to a retiree. It does not provide for any continuing survivor benefits. Upon the death of the member who has selected Option A:

- All payments will stop.
- No future monthly payments will be made to anyone.
- No pay out of the remaining balance in the annuity account (if any) will be made.
- A pro-rata share of any amounts due at the death of the member (which will vary depending upon the date of the member's death) shall be payable to a recipient designated by the member.

I, , understand that in picking Option A only the amount of retirement allowance still owed to me at the time of my death will be payable to a recipient or recipients designated by me.

I hereby designate the following to receive the pro-rata share of my retirement allowance still due to me on the date of my death.
