A Resolution to authorize the Superintendent to submit to the Massachusetts School Building Authority the Statement of Interest form dated February 11, 2022 for the Amesbury Middle School roof.

Summary: This Resolution will authorize the Superintendent to submit to the Massachusetts School Building Authority the Statement of Interest form dated February 11, 2022 for the Amesbury Middle School roof.

Be it Resolved by the City Council of the City of Amesbury assembled, and by the authority of the same as follows:

Having convened in an open meeting on March 8, 2022, prior to the Statement of Interest (SOI) submission closing date of March 25, 2022, the City of Amesbury, in accordance with its Charter and ordinances, has voted to authorize the Superintendent to submit to the Massachusetts School Building Authority (MSBA) the SOI form dated February 11, 2022 for the Amesbury Middle School, located at 220 Main Street, which describes and explains the following deficiencies and the priority category(s) for which an application may be submitted to the MSBA in the future: replacement, renovation, or modernization of school facility systems, such as roofs, windows, boilers, or heating ventilation systems, to increase energy conservation and decrease energy-related costs in a school. The Amesbury Middle School roof is 26 years old and has been failing in many areas, causing leaks and water intrusion into the school building.

The City of Amesbury further acknowledges that, by submitting this SOI form, the MSBA in no way guarantees the acceptance or the approval of an application, the awarding of a grant or any other funding commitment with the MSBA, or commits the City of Amesbury to filing an application for funding with the MSBA.
