Awarded municipalities must enter into a contract with MassDOT for the purchase of the approved equipment. To initiate this contract, please review and sign the Equipment Funding Agreement provided to you with this award letter and return it to SharedStreets@dot.state.ma.us as soon as possible. It is anticipated that the Notice to Proceed (NTP) for this award will be issued by November 1, 2022 and that the deadline for equipment purchases will be December 31, 2023. MassDOT-funded costs may not be incurred until the NTP is issued. Your patience during the contracting process is appreciated as MassDOT works to execute contracts with a large volume of awardees.

This award is reimbursement-based, meaning that funds are provided after costs are incurred. Please note that this is different than previous funding years. Reimbursement requests are processed by your District State Aid Engineer in the same manner as Chapter 90 projects. Learn more about this process as well as other implementation details on the program website at: mass.gov/shared-streets-and-spaces-grant-program.

Please email SharedStreets@dot.state.ma.us with questions related to this award. Thank you for your commitment to improving safety, access, and mobility for all roadway users in your community and for your participation in the Shared Streets and Spaces Program.

Sincerely,

Jamey Tesler
Secretary and CEO
