CITY OF AMESBURY
IN THE YEAR TWO THOUSAND TWENTY-TWO

SPONSORED BY: Kassandra Gove, Mayor **BILL No. 2022- 059**
Revised

An Order Ordinance to amend the City of Amesbury Traffic and Parking Regulations **SCHEDULE I PARKING (15-MINUTE PARKING SPACES)** to create five (5) new, permanent fifteen (15) minute parking spaces throughout downtown Amesbury and to add a complete inventory of existing 15-minute spaces.

Summary: This ordinance will update the Traffic and Parking Regulations adopted in Bill No. 2015-077 and subsequently amended in Bill No. 2015-081 and Bill No. 2019-074 and will amend the Amesbury Municipal Code in order to revise the **SCHEDULE I PARKING (15-MINUTE PARKING SPACES)** existing schedule. In 2020, many businesses adapted to COVID restrictions by offering curb-side delivery. The City created nine (9) temporary parking spaces throughout downtown to help businesses deliver their products to customers curbside or allow customers to pick up their items quickly. After reaching out to the businesses, we heard back from five of them that the 15-minute space was helpful to their business and they would like it to be a permanent parking space. The five (5) new permanent parking spaces are proposed at:

15 Friend Street
36 Friend Street
35 Friend Street
25 Main Street
40 Market Street

Additionally, existing 15-minute spaces were inventoried and added to **SCHEDULE 1**.

Be it Ordered Ordained by the City Council of the City of Amesbury assembled, and by the authority of the same as follows:
