An Order Ordinance to amend the City of Amesbury Traffic and Parking Regulations **SCHEDULE I PARKING (15-MINUTE PARKING SPACES)** to create five (5) new, permanent fifteen (15) minute parking spaces throughout downtown Amesbury **and to add a complete inventory of existing 15-minute spaces.**

Summary: This ordinance will update the Traffic and Parking Regulations adopted in Bill No. 2015-077 and subsequently amended in Bill No. 2015-081 and Bill No. 2019-074 and will amend the Amesbury Municipal Code in order to revise the SCHEDULE I PARKING (15-MINUTE PARKING SPACES) existing schedule. In 2020, many businesses adapted to COVID restrictions by offering curbside delivery. The City created nine (9) temporary parking spaces throughout downtown to help businesses deliver their products to customers curbside or allow customers to pick up their items quickly. After reaching out to the businesses, we heard back from five of them that the 15-minute space was helpful to their business and they would like it to be a permanent parking space. The five (5) new permanent parking spaces are proposed at:

- 15 Friend Street
- 36 Friend Street
- 35 Friend Street
- 25 Main Street
- 40 Market Street

Additionally, existing 15-minute spaces were inventoried and added to SCHEDULE 1.

Be it Ordered Ordained by the City Council of the City of Amesbury assembled, **and by the authority of the same as follows:**

- 1.** That the City of Amesbury **amend the City of Amesbury Traffic and Parking Regulations SCHEDULE I PARKING (15-MINUTE PARKING SPACES)** to create five (5) new, permanent fifteen (15) minute parking spaces throughout downtown Amesbury located at 15 Friend Street, 36 Friend Street, 35 Friend Street, 25 Main Street, 40 Market Street **and to add a complete inventory of existing 15-minute spaces.**

In addition to the five (5) new permanent 15-minute spaces detailed above; additional changes include:
