Atten: Municipal Council

Subject: National Grid and Verizon Joint Pole Pet. – Work Request #30628191 Highland Street, proposed Pole location Petition and Sketch received at the Office of the City Clerk June 20, 2024

The Amesbury DPW has reviewed the proposed joint pole location requested by National Grid and Verizon near 58 Highland Street twice, initially in late June of 2024 and there were minimal concerns at that time. The Petition Plan WR (work request) #30628191, the submitted plan is dated February 6, 2024.

The DPW has minimal concerns with proposed the location of this pole. National Grid staked the location and painted it make the DPW review possible.

Care should be taken to ensure the pole is installed within the right of way, but where possible three to four feet from the edge of pavement, away from the edge of the road to leave space for snow storage. Installation of poles in the paved road or walk should be avoided where possible.

Prior to installation or relocation of any utility pole the City of Amesbury Department of Public Works, and the City Water and Sewer Departments shall be informed of the proposed activities.

Sincerely,

Joseph Buckley PE
Director of Public Works

PETITION FOR JOINT OR IDENTICAL POLE LOCATIONS

North Andover, Massachusetts

To The City Council
Of Amesbury, Massachusetts

Massachusetts Electric Company d/b/a NATIONAL GRID and Verizon New England, Inc requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Highland Street - National Grid to install 1 JO pole on Highland Street beginning at a point approximately 325 feet Northwest of the centerline of the intersection of Highland Street & Hillside Avenue. National Grid installing one pole (P# 13-50) on Highland Street to the North side of the road. Nearest address is 58 Highland Street, Amesbury, Ma. New pole location needed due to new substation Get-A-Way riser.

Location approximately as shown on plan attached.

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Highland Street - Amesbury, Massachusetts.

No.# 30628191

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

ORDER FOR JOINT OR IDENTICAL POLE LOCATIONS

To the City Council of - Amesbury, Massachusetts

Notice having been given and public hearing held, as provided by law, IT IS HEREBY ORDERED: that Massachusetts Electric Company d/b/a NATIONAL GRID and VERIZON NEW ENGLAND INC. (formerly known as NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY) be and they are hereby granted joint or identical locations for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining and protecting fixtures as said Companies may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said Companies dated the 5th day of February, 2024.

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonable straight, and shall be set substantially at the points indicated upon the plan marked – Highland Street - Amesbury, Massachusetts.

No.# 30628191

Filed with this order:

There may be attached to said poles by Massachusetts Electric Company d/b/a NATIONAL GRID and Verizon New England Inc. such wires, cables, and fixtures as needed in their business and all of said wires and cables shall be placed at a height of not less than twenty (20) feet from the ground.

The following are the public ways or part of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this order:

Highland Street - National Grid to install 1 JO pole on Highland Street beginning at a point approximately 325 feet Northwest of the centerline of the intersection of Highland Street & Hillside Avenue. National Grid installing one pole (P# 13-50) on Highland Street to the North side of the road. Nearest address is 58 Highland Street, Amesbury, Ma. New pole location needed due to new substation Get-A-Way riser.

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.
