Which Board, Commission or Committee are you applying for?	Community Preservation Committee
Please explain why you would like to serve on a particular Board, Commission or Committee:	I'm excited about the potential for the use of CPA funds in Amesbury. The city has significant needs and I believe this is one of the most critical areas in which the city could improve. We especially have a need for better playing fields for all our residents.
Please briefly describe your education and any relevant work or life experience or other	I'm a graduate of the university of Massachusetts. I've started and run 2 successful businesses, so know how to manage projects and people, and to get things done. I also served for 19 years on school boards in 2 separate communities and

activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

understand how to work effectively in a committee structure. While serving in North Reading, I was one of the key players in getting the school committee to approve a land swap with the town that led to the construction of a \$2 million turf field/track project. I also led a drive to raise funds for a natural turf, all-purpose practice field, and led a subcommittee that got approval of a restroom/concession building project for the turf field. In addition, I served on the school committee that approved and then oversaw the construction of a \$120 million+ high school/middle school project. I also have been a member of several youth sports boards of directors, including Middlesex County Youth Soccer, Essex County Youth Soccer, North Reading youth soccer and North Reading Youth lacrosse.

Please list any City offices you have held in Amesbury or elsewhere. Please share the name of the Office held, the date you were appointed or elected, and the date when your term expired.
