CITY OF AMESBURY, MA

CITY OF AMESBURY  
IN THE YEAR TWO THOUSAND TWENTY-FIVE

---

SPONSORED BY: Pamela L Gilday BILL No. 2025-045  
Pamela Gilday – District 1 City Councilor

**An Ordinance for the City to place No Parking signs on Lafayette Street median strip – request by resident**

**Summary:** The Amesbury City Council shall request that the City place No Parking signage along the median strip of Lafayette Street.

*Whereas a Lafayette Street resident has contacted Amesbury Police Dept and been told that No Parking signage is not legal at the requested location, the resident has requested that the matter be presented to City Council and in turn, its Planning and Development subcommittee, for consideration.*

*Whereas the signage request process outlined on the City's website informs residents that permanent signage can be requested via the Amesbury Planning and Development subcommittee, and consideration for that subcommittee's agenda first requires a First Reading referral of a bill from the Amesbury City Council, this bill is hereby presented as that vehicle.*

**Be it Ordained by the City Council of the City of Amesbury assembled and by the authority of the same, as follows:**

The Amesbury City Council shall request that the City place No Parking signage along the median strip of Lafayette Street.
