Which Board, Commission or Committee are you applying for?	Conservation Commission
Please explain why you would like to serve on a particular Board, Commission or Committee:	I would like to serve on the Conservation Commission because I'm passionate about protecting Amesbury's natural resources through both effective environmental regulation and forward-thinking ecological planning. I'm particularly interested in supporting the implementation of conservation regulations—such as the Massachusetts Wetlands Protection Act—while also advancing ideas like universal green infrastructure and the development of wildlife corridors. I believe these strategies can

help Amesbury build climate resilience, protect biodiversity, and connect residents more meaningfully with the natural environment. I'm excited about the opportunity to contribute to sustainable land use decisions that balance ecological integrity with community growth.

Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

I hold a Bachelor's degree in International Relations and Environmental Studies from Lawrence University, with a strong academic focus on environmental policy and sustainable development. I have a long-standing commitment to environmental stewardship, having founded the sustainability club at my high school and actively participated in the sustainability club at Lawrence. My background includes research and analytical work focused on ecological impacts and regulatory frameworks. I'm passionate about protecting natural resources and committed to supporting Amesbury's conservation goals through thoughtful, community-oriented service.

Please list any City offices you have held in Amesbury or elsewhere. Please share the name of the Office held, the date you were appointed or elected, and the date when your term expired.
