Recycling and Solid Waste

2025-2026 Information Guide

Missed Collection?

Residents should place trash and recycling containers out no later than 6:00 am on the day of collection. Please make sure the lid is closed and the handles facing your home. Heavier waste and recycling costs more money for the city to dispose. Routes and collection times may vary due to weather, road construction, truck issues or different truck drivers. **If your trash and recycling was out on time and it was not collected, please call G. Mello at (978) 352-8581.**
