Which Board, Commission or Committee are you applying for?	Zoning Board of Appeals
Please explain why you would like to serve on a particular Board, Commission or Committee:	I have been pleased with how Amesbury has developed over the last decade and would like to give my time and professional/personal experience back to the community. The ZBA plays a significant role in managing the development of our community, and I see this as a meaningful way in which I can participate in supporting our Mission Statement and Master Plan. I would also come to the ZBA with an open mind understanding that the Master Plan is a long-term plan and

thus, provides for flexibility to adapt to changes in the community environment over time.

Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

I recently retired as a senior executive from a successful 40-year career in both corporate and private banking in the Massachusetts/New England marketplace. Some of the institutions for which I served include, Salem Five Bank, Brookline Bank, Bank of America, and Brown Brothers Harriman & Co. I hold a master's degree in business administration from Northeastern University and have served in leadership positions on several Boards of Directors including Board Chairman and Chair of Finance Committees. The broad management and leadership experience I would bring to the ZBA include the ability to efficiently analyze detail, facts and considerations in order to bring issues to the appropriate resolution and conclusion.
