Which Board, Commission or Committee are you applying for?	Conservation Commission
Please explain why you would like to serve on a particular Board, Commission or Committee:	I would like to serve on the Conservation Commission because I believe it would be a direct and meaningful way to protect the local landscapes that define Amesbury and ensure that Amesbury's trails, streams, ponds, and forests can hopefully all be enjoyed by the town for generations to come. More broadly, I see serving on the Commission as a way to give back to the

community and perform my civic duty as someone who's moved to this town and grown to love it.

Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

I have an undergraduate degree from Northeastern University in Industrial Engineering. I've been working in the green energy/climate space from 2015 until present. In my current role, I often serve as our subject matter on legislative policies and their impact on conservation and environmental protection efforts.

Please list any City offices you have held in Amesbury or elsewhere. Please share the name of the Office held, the date you were appointed or elected, and the date when your term expired.
