

INSTRUCTIONS. To apply for an abatement (or refund if excise has been paid), complete this form and provide the specified documentation.

Abatement applications **must** be received by the assessors within three years after the excise was due, or one year after the excise was paid. To preserve your right to appeal, you must file on time. By law, assessors may only act on late applications in limited circumstances where the excise is still unpaid and their decision in those cases is final.

Filing an application does not stay the collection of your excise bill. To avoid interest, charges and collection action, including non-renewal of your registration, you must pay the bill in full within 30 days of its issue date. You will receive a refund if an abatement is granted.

NOTE. You are **not** entitled to an abatement if you (1) cancel your registration and retain ownership of the vehicle, or (2) move to another Massachusetts city or town, during the calendar year. No excise may be reduced to less than \$5.00. No abatement or refund of less than \$5.00 may be made.
