**PETITION FOR JOINT OR IDENTICAL POLE LOCATIONS**

North Andover, Massachusetts

To The City Council  
Of Amesbury, Massachusetts

Massachusetts Electric Company d/b/a NATIONAL GRID and Verizon New England, Inc requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Winkley Street - National Grid to install 1 JO pole on Winkley Street beginning at a point approximately 75 feet East of the centerline of the intersection of Hillside Avenue and Winkley Street. National Grid to install one new mid-span pole (#7) for future cable riser on Winkley Street, Amesbury, MA.

Location approximately as shown on plan attached.

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Winkley Street - Amesbury, Massachusetts.

**No.# 30862343**

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

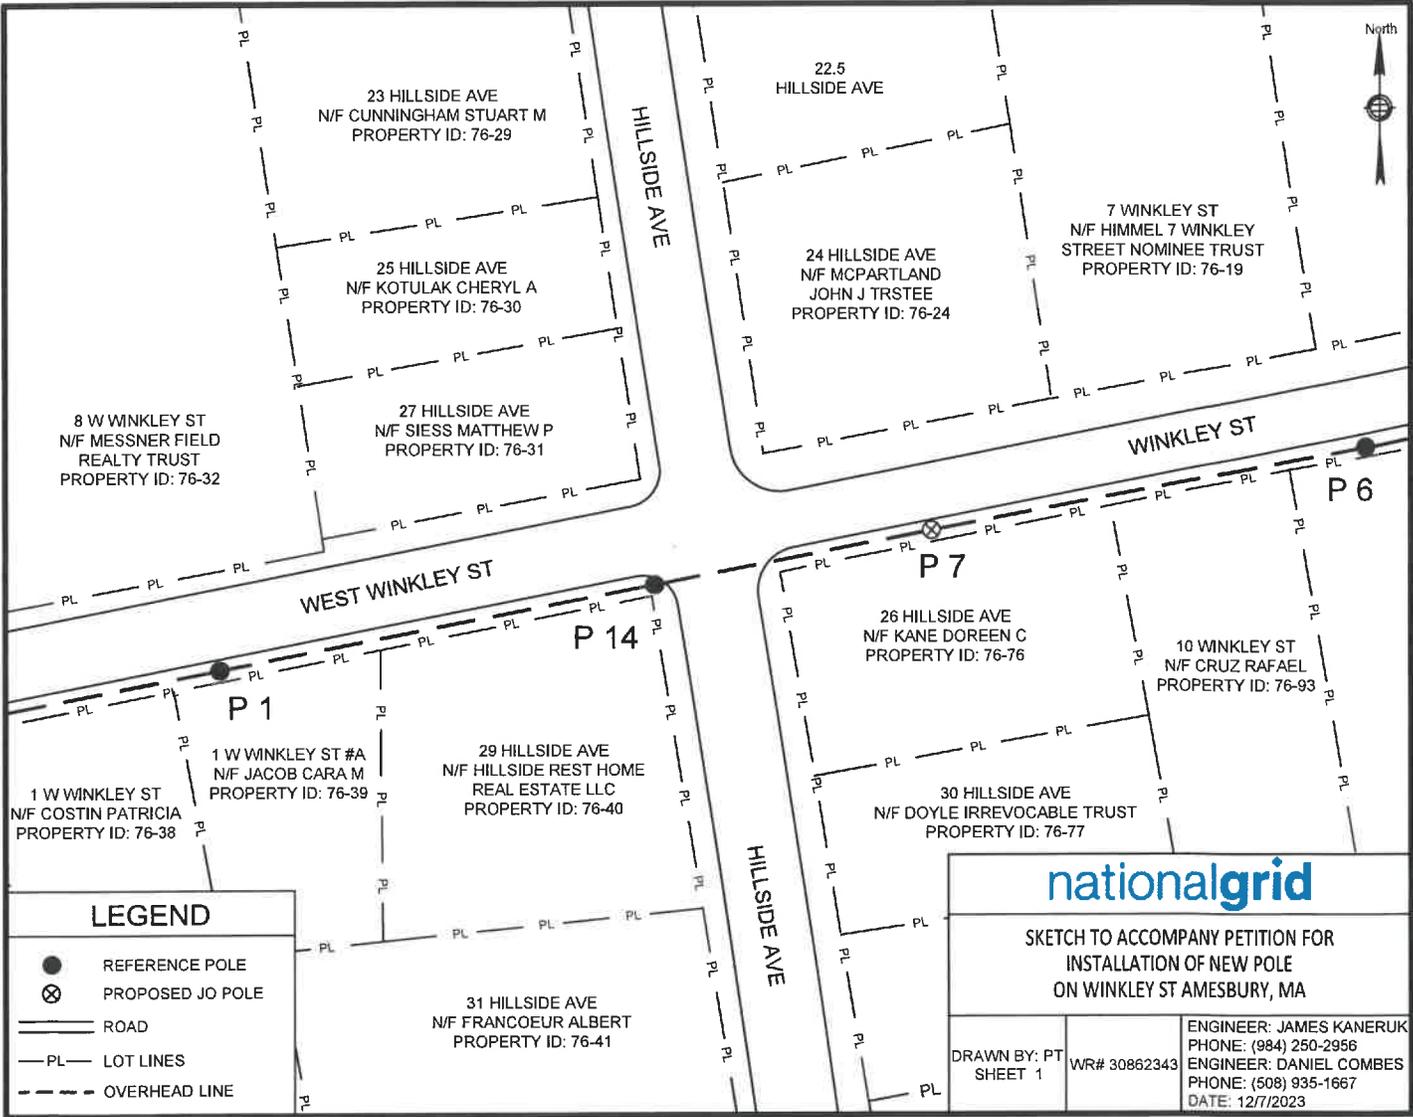

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

Subject: National Grid and Verizon Joint Pole Pet. -  
WR #30862343 Winkley Street. Pole  
Replacement Petition Sketch received 2-11-  
2025

Amesbury Public Works has reviewed the proposed Pole Installation requested by National Grid and Verizon for Winkley Street in Amesbury on the Petition Plan WR# 30862343 dated February 4, 2025 and received by the City on February 11, 2025.

Public Works has no significant concerns with the installation of the pole. Public Works says pole must be installed in either the grass strip, (be cautious with granite curb,) or back of sidewalk. National Grid and Verizon confirm that the proposed installation does not conflict with other utilities within the edge of the City right of way prior to installation.

Public Work's review was completed to address the City's concerns of possible underground utility conflicts. This review was not intended to provide any indication that the property owners abutting the proposed pole location have no concerns with the pole.

Prior to installation or relocation of any utility pole, DIGSAFE, the City of Amesbury Department of Public Works, and the City Water and Sewer Departments shall be informed of the proposed activities.

Should additional information be required, please feel free to contact Lisa DeMeo, Assistant Director, or myself.

Sincerely,
