Certificate of Appointment

December 31, 2020

I appoint Evin Guvendiren to the position of member of the Conservation Commission for a term to expire December 31, 2023, and I certify that said person is qualified to perform the duties of the said office, and I make this appointment solely in the interest of the City of Amesbury. This appointment shall not become effective until twenty-one days following filing with the city clerk, in accordance with the Amesbury Home Rule Charter.

Kassandra Gove

Which Board, Commission or Committee are you applying for?

Conservation Commission

Other:

Please explain why you would like to serve on a particular Board, Commission or Committee.

I just moved to Amesbury and would like to become involved in the community. I have a passion for conserving our natural resources and would like to help guide others towards making our landscapes more valuable for wildlife. I have been in front of many conservation commissions across the north shore and would love to see what it is like on the other side of the permitting process.

Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

I have a bachelors degree in natural resource economics. I am currently employed at DeRosa Environmental Consulting, Inc. (3 years and counting). I have helped many homeowners and businesses get Orders of Conditions by meeting the performance standards of both the Massachusetts Wetlands Protection Act and local

Bylaws/Ordinances. I have assisted in the design of numerous ecological restoration, and mitigation plans. I have presented projects to conservation commissions throughout the north shore.

Please list any City offices you have held in Amesbury or elsewhere. Please share the name of the Office held, the date you were appointed or elected, and the date when your term expired.

N/A

Public service on a Board, Committee, or Commission can be demanding. Please indicate the realistic time commitment you are willing and able to make.

6+ hours per week

Additionally, please describe any standing commitments you may have which might conflict with set meeting schedules.

If DeRosa Environmental Consulting, inc. Is hired as a consultant for a project in Amesbury, I would need to recuse myself. If I need to attend a conservation meeting in another town/city for one of my clients that is on the same night as an Amesbury conservation meeting, then that would be my first priority.

How did you hear about the vacancy on this City Board, Committee or Commission?

Word of Mouth
