1. Please explain why you would like to serve on a particular Board, Committee, or Commission. If necessary attach additional sheets.

Shelter is one of our most basic needs. It provides more than just a place to rest one's head; it provides a solid base, a safety net from which a person can go out each day to live their lives, and then come home, and be themselves. I believe in helping to secure housing for any who seek it and especially in providing opportunities for affordable housing right here in Amesbury.

2. Please briefly describe your education, relevant work, life experience, or other activity which in your opinion would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets/your resume. My background is in the arts (textile design and sales) but as with many others, felt the need to contribute and have been involved for many years with the mission of housing. I have been on numerous domestic as well as international trips with Habitat and the sister org, Fuller Int'l. I have served on the board of the Greater Nbrst YWCA and specifically the Affordable Housing committee, the latter of which I am still active. They have done wonderful (and largely unknown) work with affordable (see end of application)

Housing in our area. I have been on the board for a number of years with Emmaus Inc, another incredible local organization that provides their clients the help to secure emergency shelter all the way up to permanent housing, and everything in between. I feel these experiences would beneficially guide me should I be accepted to this Trust.
