Which Board, Commission or Committee are you applying for?

Parks & Recreation Committee

Other:

Please explain why you would like to serve on a particular Board, Commission or Committee.

I'm interested maximizing the recreational spaces we have in Amesbury.

Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

I have a bachelors degree in finance and economics from Babson College, but my relevant experience was gained during my involvement with the Amesbury Soccer Association, where I coached for 11 years and was the President for 3 years. While there, we evaluated spaces in Amesbury for permanent field space for our players, which involved working with environmental engineers and navigating Municipal politics.

Please list any City offices you have held in Amesbury or elsewhere. Please share the name of the Office held, the date you were appointed or elected, and the date when your term expired.

I have served on the Amesbury Parks and Recreation Commission from October 2014 to the present. I understand that proper procedure may not have been followed in my appointment, but I took the required ethics training and was sworn-in at City Hall in 2014 and again in 2019.

Public service on a Board, Committee, or Commission can be demanding. Please indicate the realistic time commitment you are willing and able to make.

2 - 4 hours per week

Additionally, please describe any standing commitments you may have which might conflict with set meeting schedules.

I work in Boston and generally can't attend meetings or events until 7 PM or later during the week.

How did you hear about the vacancy on this City Board, Committee or Commission?
