## Which Board, Commission or Committee are you applying for?

Parks & Recreation Committee

## Other:

### Please explain why you would like to serve on a particular Board, Commission or Committee.

My wife and I moved up here last Fall and I'm looking to get more involved in serving the community and feel the Parks & Recreation Commission would be a great fit. I've worked with the commission as an outside event company hosting events in Amesbury over the last 10 years and have a great appreciation for what the commission brings forth on behalf of the community. I'm a big advocate for bettering our community in any way possible, stimulating our economy and working to continue to advocate for a bigger and better Amesbury!

### Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

I've worked with a number of Park and Recreation departments over the last decade through my event business. I've witnessed many different boards & commissions that

execute efficiently and many that don't. I'm happy to report Amesbury has one of the more efficient systems in place. I've worked hand and hand with a number of Recreation directors on implementing successful programs in their City/Town to benefit the residents. Most of my involvement was in Salem, MA. I was apart of adopting a fair and clear submission process there for Race Racing in the City a number of years ago and did some youth coaching for a Summer League Program many moons ago, that I'd actually love to see take off in Amesbury for our youth if it already doesn't exist.
