### **Please explain why you would like to serve on a particular Board, Commission or Committee.**

I would like to serve on the Parks and Recreation Commission to become more involved in the community and environment that I have come to know and love since moving to Amesbury in 2018. Having such easy access to the rail trail, Lake Gardner, and the various parks has enriched my life, so I would like to give back in a more meaningful capacity.

Through this position, I have plenty of experience navigating the politics of committee settings and achieving results.
