Other:

Please explain why you would like to serve on a particular Board, Commission or Committee.

I would like to make a contribution to Amesbury. We moved here in December 2020. I had been actively involved in local and state politics in York, ME.

Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

I retired in 2012 from a Public Health Center in NH, working as a social worker. I hold a BA in Social Welfare. I have actively worked on local and state politics in ME. I volunteered at Cashman Elementary School for five years, where my grandson attended. I also volunteered as a cuddler for the addicted babies and helped care for toddlers while their moms attended a parenting group. I taught second graders for a year out of college. I am extremely comfortable with folks and know kindness is the best policy.

Please list any City offices you have held in Amesbury or elsewhere. Please share the name of the Office held, the date you were appointed or elected, and the date when your term expired.

I have never held any elected positions.

Additionally, please describe any standing commitments you may have which might conflict with set meeting schedules.

I do understand that this position may demand more hours at certain times of year and can commit to whatever is needed. I do not have any standing commitments.
