### Which Board, Commission or Committee are you applying for?

Design Review

### Other:

### Please explain why you would like to serve on a particular Board, Commission or Committee.

When I was serving on the ZBA, I was often upset with how the Design Review Committee (in my opinion) seemed to slow down the planning and permitting process. I always thought that they were a committee that would review a project and offer suggestions on how to possibly make the project fit better into the community, not become a roadblock to success. If I were to serve on this committee, I would be hopeful that the committee would keep in mind just what their purpose is and not overstep what they are supposed to do.

### Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

Past Chair of the ZBA, Past Chair of the Chamber BOD, Past Chair of the Amesbury Carriage Alliance, involved with the local Lions Club, served on many committees.

### Please list any City offices you have held in Amesbury or elsewhere. Please share the name of the Office held, the date you were appointed or elected, and the date when your term expired.

None

**Public service on a Board, Committee, or Commission can be demanding. Please indicate the realistic time commitment you are willing and able to make.**

1 hour per week

**Additionally, please describe any standing commitments you may have which might conflict with set meeting schedules.**

I am personally involved with a lot of organizations in the City as well as owning Gould Insurance but I believe I would be able to carve out enough time to serve on the committee.

**How did you hear about the vacancy on this City Board, Committee or Commission?**
