

CITY OF AMESBURY
IN THE YEAR TWO THOUSAND TWENTY ONE

SPONSORED BY: Kassandra Gove, Mayor **BILL No.** 2021-145

At the meeting of the Amesbury City Council held on November 9, 2021 the following action was taken:

An Order to amend Council Order 2021-075 for purchase of portable Police Department radios.

Summary: In August 2021, the Police Department was working on the bidding process for the Radio Tower upgrade. As they were coordinating a site visit they had a conversation with Chris Ryan, Deputy Director of North Shore Regional Communications. Mr. Ryan stated that they would be willing to pay for the radio equipment and installation on Powow Hill and 180 Main Street, thus eliminating the need for the City to use its own funds for this project.

Based on this information, the Police Department is requesting that these funds be used only to purchase new Motorola APX radios which are P25 and AES-256 compliant. The original amount of \$56,295 will not change.

Be it Ordered by the City Council of the City of Amesbury assembled, and by the authority of the same as follows:

That Council Order 2021-075 is hereby amended to allow for purchase of portable radios by the Police Department.

Councilor Gilday moved to approve bill 2021-145 as presented, and she was seconded by Councilor Hogg. A roll call vote was taken and the motion passed unanimously (9 present).
