Which Board, Commission or Committee are you applying for?

Cultural Council

Other:

Please explain why you would like to serve on a particular Board, Commission or Committee.

As an educator, I understand the importance of understanding the history of our environment. It is also critical to develop an appreciation of personal expression through the arts. My Greek ancestry forms the foundation for my love of history and the arts.

I also have experience in grant-writing as the Founding Executive Director of the Silver Hill Horace Mann Charter School (2008) in Haverhill. As a teacher and administrator I worked with the Haverhill Cultural Arts Committee with Polly Ross.

Currently my husband and I are residents in 37 Millyard. I met Director Angel Cleveland who informed me about the workings of the Council.

Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.
