## Traffic and Transportation Committee

### Meeting Minutes

Date: April 16, 2018

Start: 6:30 PM at Department of Public Works, 39 South Hunt Road

Attendees: Eric Eby, Matt Einson, Lauren Tirone, James Nolan (Robert Desmarais absent)

- Approval of March meeting minutes-Motion to approve by Matt Einson, seconded by Jim Nolan.

### Old Business

- Request for speed feedback sign on Highland Street, by Kathleen Stearns
  - Kathleen not present-tabled until next meeting.
- Request for truck route signage on Monroe Street, by Steve Stanganelli
  - It was previously discussed that residents in the area were going to approach the local businesses within the industrial park and along Monroe Street and inquire if they could place signs on their property to direct delivery trucks away from the Elm Street end of Monroe Street when making deliveries to alleviate traffic congestion. It was also recommended that the DPW Director be consulted as to what signs the City could replace or provide as well. There were no citizens in attendance and the DPW Director could not attend the meeting so this issue was tabled until next meeting.

### No New Business

Next meeting schedule for May 21, 2018.

Motion to adjourn by Jim Nolan; seconded by Eric Eby at 7:06 p.m. Motion passed 4-0.
